

**Amendments to the Abstract:**

Please add the following new Abstract of the Disclosure as a separate page after the claims:

ABSTRACT OF THE DISCLOSURE

A method for the takeover and/or handover and for the transport of goods, especially for the paperless commissioning of goods that are present in a stockroom by means of a vehicle that moves past storage aisles and calls at a predetermined pick location in a completely automatically controlled manner, marks a good with light and then takes over or hands over the good, the takeover or handover also being completely automatically controlled.
